

Help Make Seaside

even more

Fabulous!

Seaside has a new volunteer opportunity and needs your help. Please join us to beautify the city by cleaning up trash, removing weeds and other landscaping or parks projects. We hope this new group, lovingly called the SeaWeeds, will have people of all ages and backgrounds working together for an hour or two on one Saturday per month. Plus, if you have skills in the area of social media or fundraising, we welcome you as a SeaWeed too! Hours worked may count towards community projects for university, high school or some nonprofits.

Please attend the organizational meeting as we plan our first project. We can also discuss celebrations to highlight the best of Seaside. Please share this announcement with your friends.

June 20th at 6 pm

Seaside City Hall—Council Chambers
